ASSET MANAGEMENT SYMPOSIUM PROCEEDINGS

**9 CPD hours
available
at only \$44
per hour**

The 2021 Asset Management Symposium established the benchmark for ongoing conversations regarding best practice asset management for the next decade.

15 experts in asset management delivered presentations across six themes:

1	Asset Management Foundations
2	Asset Accounting
3	Asset Management Leadership
4	Asset Stewardship
5	Asset Governance
6	Transformational Futures

Asset Management Symposium Proceedings available:

Enterprise (multi-user licence)	\$1,000 plus GST (including Guidelines)
IPWEAQ member	\$400 plus GST
Non-member	\$700 plus GST

Proceedings include audio visual recordings and PPT presentations delivered by 15 industry experts plus five interactive discussions.

The Enterprise multi-user licence includes Guidelines with a framework to maximise the benefit of the Proceedings for your organisation. This will be further guided by a member of the IPWEAQ team.
