INFORMS. CONNECTS. REPRESENTS. LEADS.

NEW!
CHOOSE YOUR OWN PATHWAY!
Select ten modules of most interest to you from any Pathway.

Intake I 2021 starts 18 January 2021!

Register **online** to earn up to 5 CPD hours and develop the skills and mindset to enhance your public works career.

LEARNING HUB

The Learning Hub is a mobile friendly e-learning platform delivering weekly evidence-based, practical, reflection-rich content and activities to enhance your career and general wellbeing.

Designed to fit into busy lives, each of the Pathways' ten modules comprise:

- a learning video from industry and business experts
- a series of short, practical learning activities
- opportunities for interactions with other learners in the online forums
- support from IPWEAQ staff through 1:1 messaging

Career pathways designed to provide breadth of knowledge relevant to any stage of your career:

Emerging Professionals

High Potential Professionals

Senior Leadership

Men in Engineering

Women in Engineering

Choose Your Own Pathway

Included in your Pathway:

- ✓ ongoing 1:1 support
- ✓ regular reminders
- ✓ communities of practice
- ✓ Zoom meetings
- ✓ face-to face workshop

Register **online** to secure your place in the January intake!
