IPWEA

INSTITUTE OF PUBLIC WORKS
ENGINEERING AUSTRALASIA

STRATEGIC PLAN 2021-2026

Our ACNC registered charity sub-types:

- Advance education
- Advance the security and safety of Queenslanders
- Advance the natural environment

Registered businesses:

- Queensland Water Directorate aka **qldwater** – servicing the urban water and sewerage industry
- Public Works Professionals – our state-of-the-art room hire facilities in Eagle Farm

Our purpose is to enhance the quality of life for all Queensland communities by advancing the skills, knowledge and resources available to those involved in the planning and provision of public works and services.
